3. The entire Excise Department will be under the supervision of the Head Supervisor at Bangalore, who will, for the purpose of such supervision, be under the orders of the respective District and Sub-Division Officers.

4. One uniform system of distillation, distribution, testing, periodical inspections and reports should be adopted for the whole Province, and the system which has been found to work successfully in the Nundydroog Division during the past five years will be introduced into the rest of the Province at once. Rules for the management of the Excise Department and for the guidance of Excise Officers will accordingly be issued within the next two weeks.

5. In the meantime the reduction and revision of establishments in accordance with the statement given in para 2 above must immediately be carried out. The Head Supervisor at Bangalore, will have immediate charge of the establishment at Bangalore with an Assistant Supervisor under him for the inspection of the shops in the Districts of Bangalore, Kolar and Tumkur (No. I Range). As a rule the Head Supervisor will himself do the inspection duty in the Town and Civil and Military Station of Bangalore. Mr. Pereira is appointed Assistant Supervisor at Bangalore on probation. No. II Range will consist of the Mysore District and the Hassan Sub-Division of the Kadur District and will be in the immediate charge of a Deputy Supervisor. Mr. Arnold is appointed to this post on probation. No. III Range consists of the Shimoga District and the Chikmagalur Division of the Kadur District and will be under the immediate charge of an Assistant Supervisor of the 2nd grade on Rs. 50 1-15. Nadamuni Pille, Tester at Bangalore, is appointed to this post on probation, and he should be warned that his confirmation is wholly dependent upon the results he is able to produce within the next six months. The Deputy Supervisor at Mysore, and the Assistant Supervisor at Shimoga will also be under the Head Supervisor at Bangalore who should ordinarily get their diaries and submit them with his remarks to the District and Sub-Division Officers. In urgent cases, all Assistant and Deputy Supervisors must apply for instructions to the District and Sub-Division Officers under whom they may be on duty.

6. Mr. Rozario is appointed Store-keeper and Tester at Bangalore on Rs. 40 on probation.

7. The menial servants to be retired at once are as follows :—

Mysore...	...	1	Daffedar, 1, Nayik, 4 Peons on Rs. 7 and 2 Peons on Rs. 6. The Deputy Commissioner may however transfer to Bangalore two Peons on Rs. 6 if willing and efficient.
Chikmagalur and Chitaldroog	...	2	Peons on Rs. 6 and 4 Peons on Rs. 5.
	...	2	Peons on Rs. 6 and 4 Peons on Rs. 5.

8. The subordinate officials at present employed at the various District and Sub-Division Head-Quarters outside the Nundydroog Division, and the Testers required for those places under the new system, are shown below :—

	Present Subordinate Officials.		Testers required.
Mysore ...	Tester on	Rs. 30	Tester on Rs. 25+10=35

Chitaldroog	Supervisor	... 35	Do 35+10=45 [in the place of Nadamuni Pille promoted].
	Mutsaddi	... 20	
	Tester	... 15	

9. Most of the present officials above referred to are probably unfit for the proper discharge of the duties of Testers. Such of them as may be entitled to pension, or may be wholly unfit in the opinion of the District or Sub-Division Officer for the post of a Tester, should be at once retired on the pension or gratuity to which they may be entitled. An attempt should be made to select out of the others, the five Tes-

ters required. But no Tester can be permanently appointed before he receives a proper training at the Head-Quarters Distillery at Bangalore. The District or Sub-Division officer is therefore requested to select out of the officials above named such as are fit for further duty in the Excise Department, to retain one for duty as Tester and send the others to Bangalore for training. If the men thus sent learn their work, they will be sent back as Testers and the others on duty will be withdrawn for training. If they are reported to be unfit for the post of Tester they must be required to retire.

10. It has for some time past been under contemplation to increase the pay of the Head Supervisor, but the question has had to be deferred till the termination of the last contract. Mr McDonnell has worked with his usual energy and zeal during the past three years, and it is owing chiefly to his exertions that the excise revenue of the Nundydroog Division is in such a flourishing condition. As some recognition of his services in the past and in accordance with the precedent of 1882, the Dewan is pleased to sanction for him a bonus of six months' pay equivalent to Rs. 720. A bonus of three months' pay is also sanctioned for the subordinate establishments under him in the Nundydroog Division including the Testers of Bangalore, Tumkur and Kolar.

Para 15. The reductions necessarily led to some of the Officials being placed on slightly lower pay than they were formerly drawing, but this has been unavoidable under the circumstances. Where the men possess long service, and the loss of pay is considerable an early opportunity should be taken to replace them in their former position as regards pay —— In this connection the cases of the men noted in the margin seem to deserve the consideration of the respective Dy: Comrs.

I beg most respectfully that your honor will be graciously pleased to recommend me to the Dewan in view to an appointment of either an Amildari or a 1st Class Dy: Amildari being conferred on me. A reference to the late Chief Com^{rs} Pros. no $\frac{3627-39}{298}$ of 13.10.99 will show that my request is not unfair.

For this act of generosity I shall always fell grateful
